

## REMARKS

Japanese counsel noticed a typographical mistake in the label applied to horizontal axis of the graph in FIG. 8. The horizontal axis of FIG. 8 originally was labeled "TIME". However, it is very apparent that FIG. 8 does not show a relationship between fan rotating speed and time. Rather, FIG. 8 shows a relationship between fan rotating speed and the input or engine side rotating speed. The Replacement Sheet properly labels the horizontal axis of FIG. 8. Terminology employed in FIG. 8 has clear support in the specification, including the last sentence on page 19 of the application. Accordingly, the Replacement Sheet does not add new matter and should be entered.

Respectfully submitted,

Gerald E. Hespos, Esq.
